## **The Lodestone Trilogy Sci-Fi *Adventure***

**Mark Whiteway**

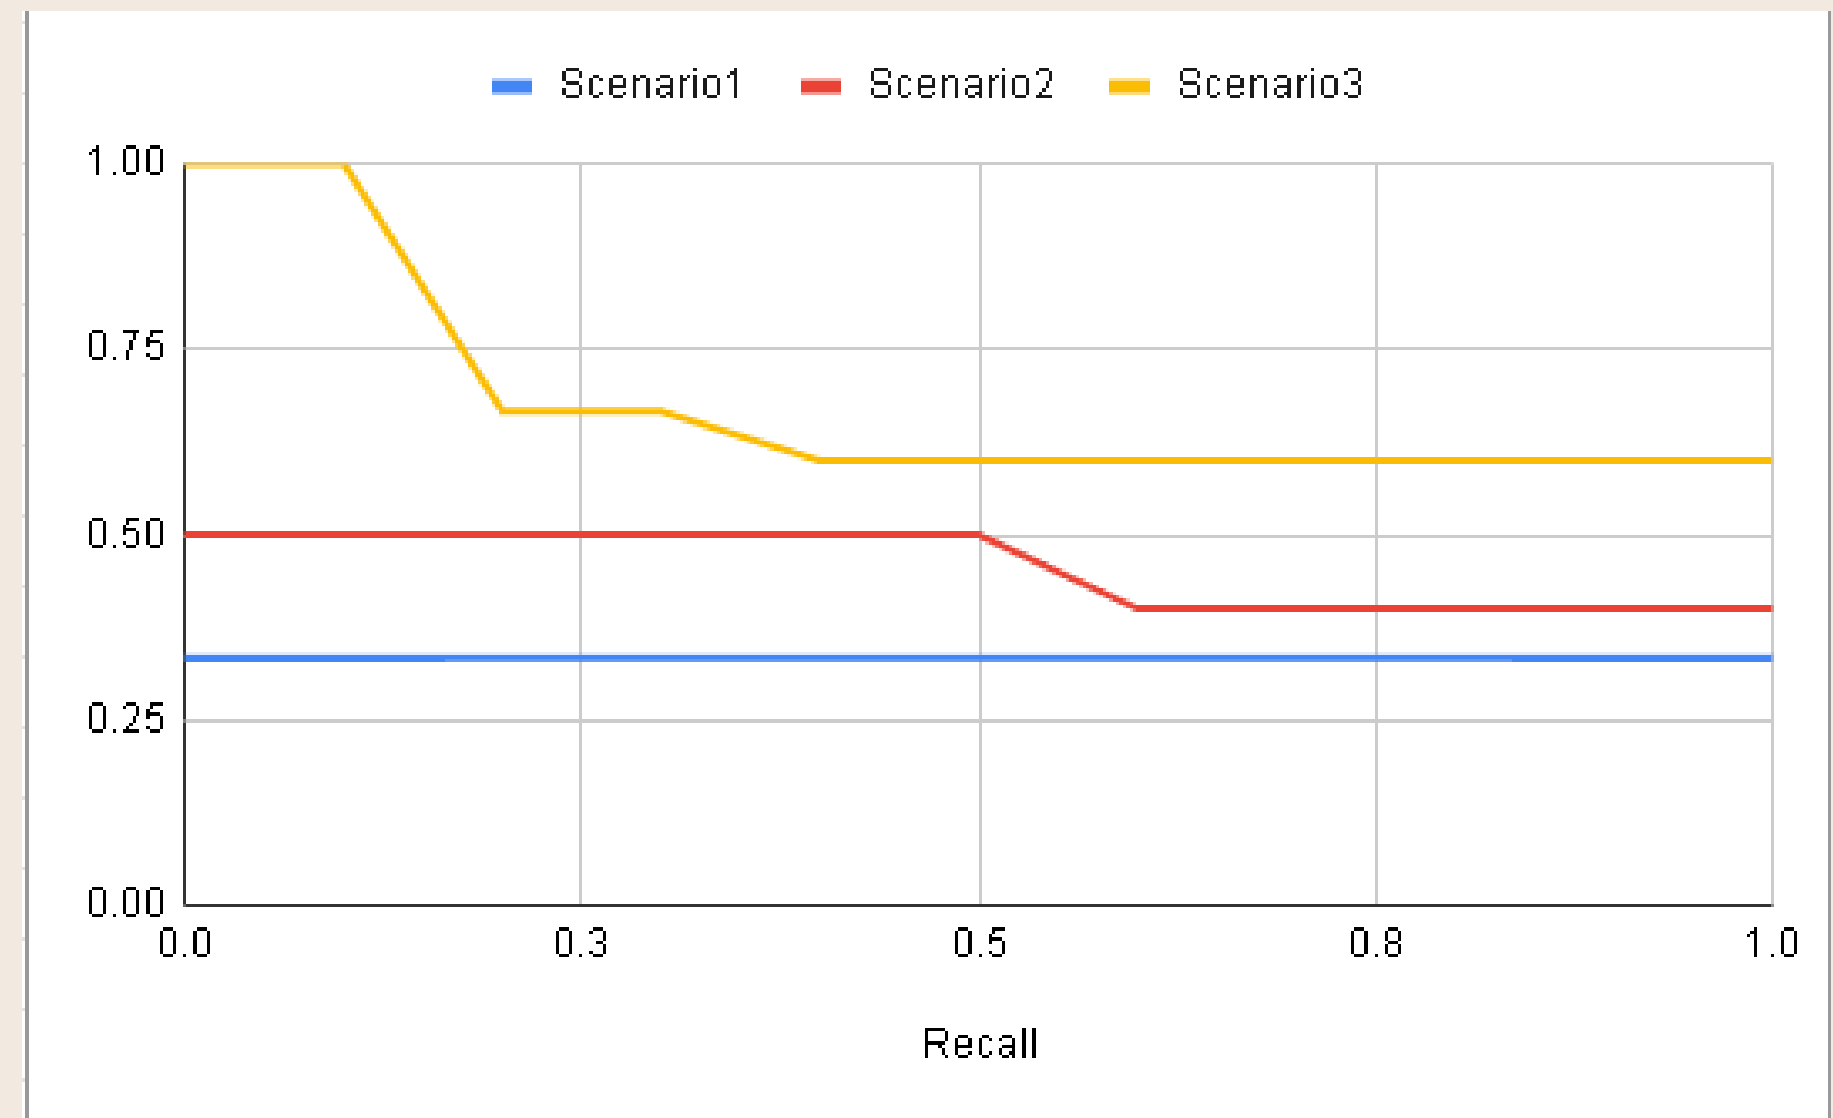

"The balancing of action against character development is sublime. This volume is packed with action, but the reader is feels grounded by the solid personalities of the hardened and conflicted Keris, maid-turned-leader Shann, and mysterious creature Boxx. This is no mere pulp fiction between these covers. Whiteway is good enough to grace the world with a science fiction masterpiece." Highly Recommended by Terence P Ward, Allbooks Review. "An evocative and compelling work. I found myself considering the characters and their plight even when I was not reading and this is always a sign of an excellent
